

DECEMBER 2023 TIMETABLE CHANGE

Valid 10 December 2023 to 01 June 2024

Timetable 1

Sheffield — Derby — Nottingham — London

Service changes

- There are no major changes to services, but other minor changes to timings of trains. Please check your journey before travel.

Planned engineering work

- On the following dates, trains will be unable to run south of Bedford. A rail replacement bus operation will be in place; look for the amended timetables nearer the time.

Saturday 27, Sunday 28 January;

Sunday 10, Saturday 16 and Sunday 17, Saturday 23 and Sunday 23 March

- Other, less disruptive, work will be necessary at weekends and weekday evenings. Please check before travel.

Timetable 2

Liverpool — Nottingham — Norwich

Service changes

- 1139 Nottingham to Norwich weekday train will start at Liverpool at 0851.
- 0521 and 0635 weekday trains from Nottingham to Liverpool will run with extra carriages.
- There will be other minor changes to timings of trains. Please check your journey before travel.

Planned engineering work

- Improvement work will take place on the Hope Valley on the following dates:
Saturday 20 and Sunday 21, Saturday 27 and Sunday 28 January;
Sunday 04 and Sunday 11 February;
Saturday 16 to Sunday 24 March. A rail replacement bus service will be in place between Sheffield and Stockport.
- Buses will replace trains between Ely and Norwich from Friday 29 March to Monday 01 April.

Timetable 3

Matlock — Derby — Nottingham

Service changes

- There are no major changes to services, but timings may have altered by a few minutes. Please check your journey before travel.

Planned engineering work

- There is no planned engineering work on this route at time of going to print.

Timetable 4

Nottingham — Mansfield — Worksop

Service changes

- 2225 weekday train from Nottingham to Worksop will only run as far as Mansfield Woodhouse
- 0535 Worksop to Nottingham weekday train will start at Mansfield Woodhouse at 0606
